FOR THE ALUMNI OF SAINT JOSEPH'S COLLEGE

VOL. 26 - No. 17

Rensselaer, Indiana

SEPTEMBER, 1963

Agenda Set For SJC's Biggest Homecoming Oct. 12

The largest Homecoming in the history of Saint Joseph's College is expected on Saturday, October 12, on the Rensselaer Campus. The combination of a rough, tough Puma football team (strong after a three year rebuilding program, the initiation of the College's Diamond Jubilee Celebration, and the opening of the new million dollar Halleck Student Activity Center, promise to draw a record crowd to swell the weekend population of Rensselaer.

Homecoming activities will begin on Friday, Oct. 11, with a pre-game pep rally followed by a dance for Alumni and seniors in the Ballroom of Halleck Hall, St. Joe's new Student Center.

Highlighting the Saturday program will be the Puma Vs. Ball State football game, followed by the Alumni-Senior cocktail party and dance.

An innovation for the Diamond Jubilee Homecoming will be a change in the format of Alumni registration, which will be conducted on Saturday, Oct. 12, from 8:30 a.m. until game time. All the Alumni will enter the college campus at the main entrance where they will be met by a member of one of the various college clubs who will register them, give them identifying badges, and direct them to the parking attendant who will park their cars for them.

Class Reunions

Featured in the Diamond Jubilee Homecoming will be the initiation of an annual reunion program for classes celebrating five and ten year anniversaries. At Homecoming the classes of 1953 (10 year anniversary) and 1958 (5 year anniversary) will hold their reunions in specially reserved rooms of Halleck Hall.

Another annual reunion program that will be given its kick-off at the Diamond Jubilee Homecoming is the reunion of the silver anniversary football team. At Homecoming the football team of 1938 will hold a reunion and will be honored at the pre-game ceremonies of the Puma Vs. Ball State game. The silver jubilarian football team members will choose the recipient of the Rudy Volz Alumni Trophy which will be presented to the Homecoming game's most valuable player.

The Diamond Jubilee Homecoming will also mark the opening of Halleck Hall. All the Homecoming activities, except the football game and pageantry, will take place in the ball room, lunches and dinners will be served in the cafeteria, and the reunions will take place in the conference room area.

Jerry Gladu, Alumni Director, said that the early date of Homecoming was chosen with the hope that the festivities might be held under better weather conditions than have occurred at past Homecoming celebrations. Good weather conditions will enable the Alumni to walk around to see the various hall and club decorations and will also give the Alumni a chance to see a fine football game without being soaked or frozen as some of the Alumni have been at previous Homecoming festivities.

All the alumni who wish to participate in the entire three day program have been encouraged to call or write a motel in the Rensselaer area before Sept. 30, for a reservation. After this date the seniors will begin reserving rooms for their dates. A list of good accommodations is printed below.

The Diamond Jubilee Homecoming promises to be a gala affair and, as are all Homecoming celebrations, is intended as an opportunity for the Alumni to return to their old Alma Mater, renew old acquaintances, and visit with the faculty members and students.

VC Official Says Penance Way to Unity

Father Haering

The Second Vatican Council "is not yet a council of reunion, because our faith in the great mystery of unity is not yet deep enough. Our readiness to do penance (that is the only way to unity) is not profound enough, but with the grace of God a great step has been made, a greater step than we could hope for," Rev. Bernard Haering, C.S.S.R., official theologian at the Vatican Council said Tuesday, July 23 at Saint Joseph's College.

Father Haering, a native of Gars, Germany, who teaches at the Institutio Alphonsiana in Rome, told an audience of 1400 that "the church of the second Vatican council is the church of penance. Only in the spirit of penance can we open our hearts deeper to the word of God, to Christ. And it is in penance that we look to the desire of the whole world.

"We hope that unity will be made within the Catholic church," Father Haering said, "but will it be the same Catholic church that presented itself to some of our contemporaries? It will be the identical Catholic church that is founded by Christ. But, another question is: will it have the identical countenance of that church? It will not be that church which sometimes to many people revealed an all too

Alumni Board Approves National Phone Drive

The Alumni Board of Directors and chapter presidents approved a national telephone campaign for the solicitation of pledges for the Diamond Jubilee Development program from those alumni who have not previously been contacted, during the second annual summer meeting held on campus July 19-21. The approval came on a motion by national alumni president Joe Albers following a lengthy discussion.

New Profs Join Faculty

Saint Joseph's has announced the appointments of seven new faculty members: Jacob S. Rodia, Ph.D., assistant professor of chemistry; Lyle H. Sleeman, Jr., Ph.D., assistant professor of geology; Francis E. Fenner, M.A., instructor in history; Thomas M. Ryan, M.A., director of guidance and assistant professor of education; Ralph A. Pennington, M.S., assistant professor of economics; Father Francis Spanbauer, C.P.P.S., B.A., admissions counsellor and Theodore Lakomecki, B.S., assistant admissions counsellor.

Rodia received the B.S. degree in chemistry from Loyola University, Chicago and the M.S. and Ph.D. degrees from the University of Illinois, Chicago. He taught for three years at the University of Illinois, Chicago and for two years at Drake University. During the past several years he has been a research chemist with Minnesota Mining and Manufacturing Company, St. Paul, Minn.

Sleeman received the B.S. degree in geology from the University of Illinois and the M.S. degree from Kansas State University. He received the Ph.D. degree in geology from the University of Missouri this summer.

Fenner earned the B.A. degree in history from St. Anselm's College, Manchester, N.H. and the M.A. degree from St. John's University, Brooklyn, N.Y. He is a Ph.D. candidate at St. John's where he has been teaching for the past two years.

Ryan holds the B.A. and M.A. (Continued Page 4)

At the first business session July 19, the board and chapter presidents heard a report from Father Raphael Gross, C.P.P.S., president of Saint Joseph's, on the construction of the two new buildings and on plans for increasing laboratory and classroom space — a project made possible on completion of the two new structures.

Father Gross thanked the alumni for the support they have given in the past and during the current development campaign and expressed his hope that the leadership given by the board and chapter presidents would continue.

"In order for Saint Joseph's College to continue to do its share in Catholic education we must maintain, improve and enlarge our faculty and student body. To do all of this, and because Saint Joseph's is a private school, we must look to our alumni for continued help and support," Father Gross said.

"Every year it becomes more difficult for Catholics to maintain both the tax supported schools and their own, but we can and should be able to continue to provide Catholic education. Our forefathers did — and handed us the gauntlet. In this day of rampant secularism, an education based on Christian principles is more important than ever before," Father said.

Looking to the future, Father Gross pointed out some of the areas where alumni can be of particular help. "The whole spectrum of wills and bequests involving alumni and friends would be an ideal program, under the direction of the S.J. Foundation Director, for qualified alumni to become interested in," he said. "In addition, there are the areas of trusts and foundations. Almost every successful company now has established

1963 Grads Pledge \$4200

The Senior Class of 1963 left a pledge of \$4200 to help pay for furnishing the student recreation area in the new Halleck Center when they departed from the campus in June. Nearly all of the 133 seniors participated in the gift which, according to Alumni Director Jerry Gladu, is greater in amount and also in class participation than senior gifts received by many other schools of larger size.

Class president Bill Downard organized the gift project along with his classmates Ken Wysoglad, Jim Francis, Dave O'Connor, Ken Marcotte, Jim Tuerff, Jerry Mesurvey, Phil Wilhelm and Jim McGill. Each member of the committee called on his fellow seniors for contributions.

In recognition of the outstanding contribution, the College will install a plaque near the entrance to the student center stating that a portion of the furnishings in the recreation area was donated by the class of '63.

ALUMNI BOARD AND CHAPTER PRESIDENTS

The alumni leaders who attended the Second Annual Summer Session for Chapter Presidents and Alumni Board Members relaxed this year during their business meeting in the air-conditioned comfort of the New Halleck Student Center. (Left to right first row): John McCann, Indianapolis; Tom DeMint, Chicago; Mike Thoele, Decatur, Ind.; Gerry La Fontain, Sr., Fostoria, Ohio; Joe McGrath, Chicago; Joe Moore, East St. Louis, Ill.; Mike Stohr, St. Louis; Lou Abbott, Monticello, Ind.; Bob Conley, Rensselaer; (Left to right back row): Joe Albers, Cincinnati; Marty Timlin, Youngstown, Ohio; Jerry Gladu; Jack Miller, Park Ridge, Ill.; George Byerwalter, Dolton, Ill.; Bob Carney, Chicago; Paul Heckler, Springfield, Ohio; Ernie Stockman, LaSalle-Peru, Ill.

Europe in 1964?

Our big Diamond Jubilee Year is coming up in 1964 and along with all our celebration we would like to include an Alumni tour of Europe. Many alumni associations do it because they can take advantage of the low group rates and everyone has the common bond of going to the same school.

For the past months the Alumni Association has been investigating the possibilities of such a tour, which would combine all of the best educational, cultural, and recreational benefits for alumni of St. Joe. Now, the Alumni Association would like to know what YOU think of it.

A tentative timetable and itinerary would include:

1. A 23 day, first class tour of seven European countries during August of 1964.
2. Travel to and from Europe by jet and first class travel while in Europe.
3. Escort service by competent travel agents and a representative of the St. Joseph's College Alumni Association.
4. Countries would include England, France, Germany, Switzerland, Italy, Monaco, Spain, with a four day stopover in Rome to be met and greeted by the Precious Blood Fathers from the Mother House in Rome. **THIS IS A POSSIBILITY:** We would ask Father Linenberger, '29' the Moderator General of the Society of the Precious Blood, and the other priests there if they would take our group to various points of Rome that the general tours do not usually see, also if at all possible we would ask Father to arrange an audience for us with Pope Paul.
5. Probable departure point — Chicago.
6. COST — All expenses including the flight on jets — for under \$900.00.

These are just suggestions. What the Alumni Office wants are comments from Contact readers. If the Diamond Jubilee Tour of Europe materializes, the plans for the trip would reflect the wishes of those most concerned — the tour passengers. If you would be interested in such a tour, fill out and return the form below.

Swierczek Dies In Auto Accident

Newspaper clippings sent by the St. Louis Alumni Chapter report the death of Thaddeus A. "Ted" Swierczek, class of 1947, in a two car accident that also claimed the life of Ted's son, Michael, 13, his mother-in-law, Mrs. Rose Yasenko and three other persons. Ted's wife, Mary, was the only survivor of the collision in southern Illinois and was in serious condition according to the last reports received at Saint Joseph's.

The Swierczeks were enroute to Florida when their car and another car, from Florida, collided on a sweeping curve. All three persons in the Florida car were fatally injured.

Ted was a lifelong resident of East St. Louis, Ill. and was a foreman at the American Zinc Co. in Fairmont City. He was a member of the 1942 Saint Joseph's football

Dwyer Expects '63 Squad To Be His Strongest Team

Thoughts of the forthcoming Puma football season come easy on campus these days with the temperature hovering around the 60 degree mark and the sound of pads crunching together emanating from the Bears' practice field.

Coach George Hales is optimistic about his teams' outlook for the season and although the St. Joe gridders began practice just a few days ago, Coach Ed Dwyer also is looking forward to a good season.

"This year's team should be the strongest I've had at St. Joe," Dwyer said. "All told we have 26 good ballplayers who are juniors and seniors and we have eight good sophomore prospects. We'll have more depth than we've had in the past, better passing and fast backs."

Dwyer has eighteen lettermen returning — nine linemen and nine backs and also has four outstanding transfer students who will be eligible this season. The addition of Larry Yost and John Zolecki to the quarterback corps gives the Pumas a passing threat which "should prevent the opposition from using those eight and nine man lines they used against us last year," Dwyer said.

The Pumas installed a pro-type offense during spring practice which functioned well and should round into good shape during the early drills in September. Halfback Phil Zera, who led the team in nearly all departments last year and was elected the Most Valuable Player, has been working on passing and will be running the option off the new formation.

If there's a dark cloud in sight, it's the schedule, which has St. Joe playing only three home games — Valparaiso, Ball State and DePauw — and five conference games in succession. The season opener against Indiana State College of Pennsylvania on September 14th — for the Olympic Fund — is technically a home game but will be played on a neutral field at Peru, Indiana.

these things for the sole purpose of giving money to educational deserving causes," Father said. "The College more than ever needs help from all these sources if it is to continue to grow at the rate needed to help meet the demand for Catholic education."

The meeting this summer followed the pattern established last summer with the directors and chapter presidents sharing the weekend on campus with their families. Between business sessions, the "heads of the families" adjourned to Scharf house to rejoice the wives and children and to meet informally with faculty members. The weekend agenda included tours of the two new buildings — The Halleck Student Center and the residence hall for priests and brothers, along with a picnic and steak fry.

The meeting represented one of the largest gatherings of Alumni on campus for business sessions. Those who attended are: Joseph Albers, Cincinnati; John McCann, Indianapolis; Tom DeMint, Chicago; Mike Thoele, Decatur, Ind.; Gerry La Fountain, Sr., Fostoria, Ohio; Joe McGrath, Chicago; Joe Moore, East St. Louis, Ill.; Mike Stohr, St. Louis; Lou Abbott, Monticello; Bob Conley, Rensselaer; George Byerwalter, Dolton, Ill.; Paul Heckler, Springfield, Ohio; Bob Carney, Chicago; Martin Timlin, Youngstown, Ohio; Jack Miller, Park Ridge, Ill.; Ernie Stockman, LaSalle-Peru, Ill.

Are You Rep, Card or Puma?

Saint Joseph's first athletic teams were called the "Reps" — representatives of St. Joe. In 1933 the name was changed to Cardinals, a "natural" with our colors of cardinal and purple. A few years later "Cardinals" had become a common nickname for athletic teams; and in 1939 Father Roof, C.P.P.S., athletic director, and Ed Fischer, director of the news bureau decided to find a new nickname.

As the nickname deliberations began, Rensselaer and Jasper county gained national attention with a wild animal hunt that started in May, 1939 when the carcasses of young livestock were found on the Truman Ware farm, southeast of the city and on other farms in the area. The slaying of the livestock was attributed to a wild animal and on May 29, 1939 the Rensselaer Republican announced in a banner head and two decks: "County Goes to Guns in Puma Hunt", "Killer Thot Surrounded in Dense Woods" "Hundreds of Armed Men Girdle Mile-Square Area Southeast of Here in Search for Wild Animal."

Plaster casts were made of the animal's footprints "that are 3 to 4 inches in length and almost as wide" and these prints were identified by zoo officials in Lafayette, Ind. and Brookfield, Ill. as those of a puma, mountain lion or cougar. The hunt for the wild animal continued into the summer until a coon hunter from nearby Francesville journeyed into the area to join the hunt. When he saw the prints he told the local residents that his dog "makes just as big tracks." Attention then focused on a police dog at the Ware farm and it soon became evident that the dog was the killer.

The Puma hunt ended, but the memory isn't likely to fade. The June 21st, 1939 edition of the Republican announced: "St. Joe Cards Change Nickname — County's Puma Will Live On!"

juridical countenance. It will not be the church of the older brother in the gospel, who, driven by self righteousness did not wish to celebrate the feast of unity. It will be the countenance of a more humble church.

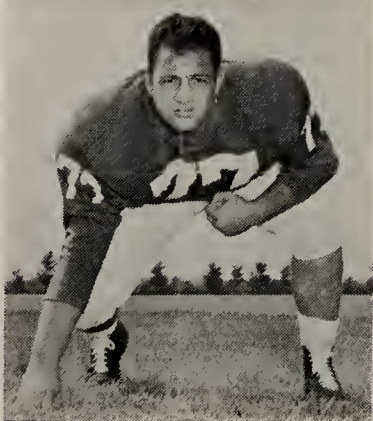

Father Haering said that Pope John XXIII, in a message to the German Catholics shortly before his death, said that all men who bear the name of Christians must collaborate in this task of the Vatican Council and he asked the help and prayers of all. "Therefore, it is our highest task to open our hearts to this spirit and to put our whole faith and trust in the spirit of God, the spirit that operates unity," Father Haering said.

Father Haering, a prolific author of papers and books on moral-pastoral theology, received an honorary degree from Saint Joseph's last year. His best known work, the three volume "Law of Christ" was translated into English by Father Edwin Kaiser, C.P.P.S. of Saint Joseph's and his latest book, "The Johanne Council: Witness to Unity" also was translated by Father Kaiser and is now being published.

Puma Co-Captains

PHIL ZERA is a senior from Skokie, Illinois who is almost a shoo-in for All Conference honors at halfback. Last year he led the team in rushing (448 yards) pass receiving (11) kickoff returns (6 for 145 yards) punt returns (12 for 85 yards) and scoring (18 points). Little wonder that he was named Most Valuable Player.

(Left) JOE GUGLIOTTA is a 6-0, 231 pound tackle from Chicago who will be a starter for the third consecutive year. He was named to the All Midwest Catholic College team last year and has won honorable mention in the all conference ratings for the past two years.

(Right) RICH OSTROWSKI is the smallest lineman on the squad at 5-10, 180 pounds, but makes up for lack of size with a knowledge of fundamentals, quick reflexes and desire. Rich is a senior from Willow Springs, Ill. and will be shooting for his third "J" award.

degrees from the University of Dayton. He comes to Saint Joseph's from Coldwater, Ohio where he served for ten years as Superintendent of Schools in the Coldwater Exempted Village Schools.

Pennington has the M.S. degree from Purdue University and the B.S. degree from the University of Maryland. He is a Lieutenant Colonel (ret.) in the U.S. Army.

Father Spanbauer has been stationed at Saint Mary's Springs Academy, Fond du Lac, Wisconsin. He received the B.A. degree from Saint Joseph's College.

Lakomecki received the B.S. degree from Saint Joseph's and has been teaching at Holy Trinity High School, Chicago, Ill.

Reassignments

In addition to the new appointments, several reassignments have been announced by Saint Joseph's. Father Norman Heckman, C.P.P.S., M.S., associate professor of chemistry, has been appointed chairman of the department of chemistry replacing the Rev. Albert Wuest, C.P.P.S., M.S., who has been transferred to the department of chemistry at Saint Joseph's College Calumet Center, East Chicago, Ind.

Three faculty members are returning to the campus after leaves for graduate study. Father Bernard Meiring, C.P.P.S., received the Ph.D. degree in education from the University of California, Berkeley and will serve as chairman of the department of education and director of student teaching. Hugh P. Cowdin, M.A., assistant professor of journalism and chairman of the journalism department, returns from a one year sabbatical leave at the State University of Iowa. Father Ernest Ranly, C.P.P.S., received the Ph.D. degree in philosophy from St. Louis University and will serve as assistant professor of philosophy.

Robert W. Shemky, M.S., associate professor of education and physical education is on sabbatical leave this year to pursue graduate studies at Indiana University.

Other Changes

Earlier this summer, the Very Rev. Raphael H. Gross, C.P.P.S., president of Saint Joseph's, announced the following appointments: the Very Rev. Charles Robbins, C.P.P.S., M.A., Registrar, as Religious Superior of the College succeeding Father Leonard Kostka, C.P.P.S., J.C.L., who was appointed executive assistant to the president and will continue as Chaplain; Father William Eilerman, C.P.P.S., M.S., Treasurer, as assistant Religious Superior; Father Donald L. Ballmann, C.P.P.S., Ph.D., as academic dean of the college succeeding Father Edward A. Maziarz, C.P.P.S., Ph.D., who is on sabbatical leave to do research and writing in California; and Father William D. Shields, C.P.P.S., as director of admissions.
